

smart-e loan heat pump special offer

For a limited time, enjoy the benefits of heat pump technology for your home and receive a lower interest rate. Heat pumps can make your home warmer in the winter and cooler in the summer, while using less energy than other types of heating/cooling.

Get Flexible Financing with a Smart-E Loan

A Smart-E Loan offers a no money down option to work with your local contractor and a network of participating lenders. The process is easy and fast.

- ▶ **5-7 year term:**
 - ▶ 0.99% interest rate
 - ▶ loan amount up to \$25,000
- ▶ **10-year term:**
 - ▶ 2.99% interest rate
 - ▶ loan amount up to \$30,000
